## ANNEX

### **Annual Work Programme for 2015 and the financing for the emergency assistance within the framework of the Asylum, Migration and Integration Fund.**

On the basis of the objective of strengthening and developing the Common European Asylum System and enhancing solidarity and responsibility sharing between Member States covered by this budget line, this work programme contains the actions to provide emergency assistance.

All EU Member States, with the exception of Denmark, are participating in the "Asylum, Migration and Integration Fund": hence entities established in the participating Member States can take part as beneficiaries in the actions that are supported under this financial instrument. Entities established in Denmark can only participate on a no-cost basis.

All activities implemented under this work programme shall respect and shall be implemented in line with the rights and principles enshrined in the Charter of Fundamental Rights of the European Union.

Consistency, complementarity and synergies with other Union instruments shall be ensured.

As foreseen in article 3(4) and 3(5) of Regulation (EU) n° 514/2014 (Horizontal Regulation), actions in and in relation to third countries under this work programme will be carried out in synergy and in coherence with other actions outside the Union supported through EU funds, in particular external assistance instruments. The identification and implementation of such actions is fully coordinated with EEAS and relevant Commission's external relations services, including DG ECHO as far as humanitarian assistance is concerned.

As foreseen in article 21(1) of Regulation (EU)n°516/2014, the implementation of emergency assistance in third countries is consistent with, and, where relevant, complementary to the Union humanitarian policy and respects the humanitarian principles as set out in the European Consensus on Humanitarian Aid.
