Migration: 5-year overview

EMIGRATION AND RETURN MIGRATION

Emigrants by country of destination

Emigrants by age

According to a survey of the Lithuanian diaspora (N=2288) commissioned by the Ministry of Foreign Affairs in 2020:

- Thinking about a return to Lithuania;
- Planning a return to Lithuania;
- Planning to return this year or in the next 5 years;
- Planning to return this year or the next year.

3 main reasons encouraging return:

- Family and friends left in Lithuania;
- I feel best in Lithuania;
- Willingness to work and create for Lithuania.

3 main obstacles and risks when planning return:

- Low wages;
- Lack of tolerance in society, xenophobia;
- Employers' attitude towards employees.

Remittances to Lithuania

EUR 694.31 million

1.4 % of the GDP.

It should be noted that in 2020, the cash flow from the diaspora to Lithuania decreased by around 40 %.

Compare this to government budget allocations:

for defence
EUR 1 billion

for health care
EUR 894 million

Main areas of work and achievements:

- ▶ In 2020, the government continued the implementation of measures under the Global Lithuania programme and the Strategy for Demography, Migration and Integration aimed at promoting the involvement of the Lithuanian diaspora in the creation of change in Lithuania and enhancing return migration.
- ▶ The government continued implementing activities aimed at resettling and integrating Lithuanian citizens, persons of Lithuanian descent and their family members to the Republic of Lithuania from humanitarian crisis-hit countries, areas affected by military conflict and countries in emergency situations.
- ▶ The Migration Information Centre (MIC) "I Choose Lithuania" provided 12,410 consultations to returning Lithuanians (8790 consultations in 2019). The website www.renkuosilietuva.lt received 736,603 visitors. In 2020, the most popular query topics were the following: support for young families, childbirth and child-raising allowances, unemployment benefits, start-up support. The Migration Information Centre began providing psychological assistance in the Lithuanian, English and Russian languages, both for those thinking about returning to Lithuania and for those who have already returned.

IMMIGRATION AND INTEGRATION OF FOREIGNERS

In 2020, 74.4 % of foreigners entered from Ukraine and Belarus.

2 418 foreigners participated in integration programmes.

Main areas of work and achievements:

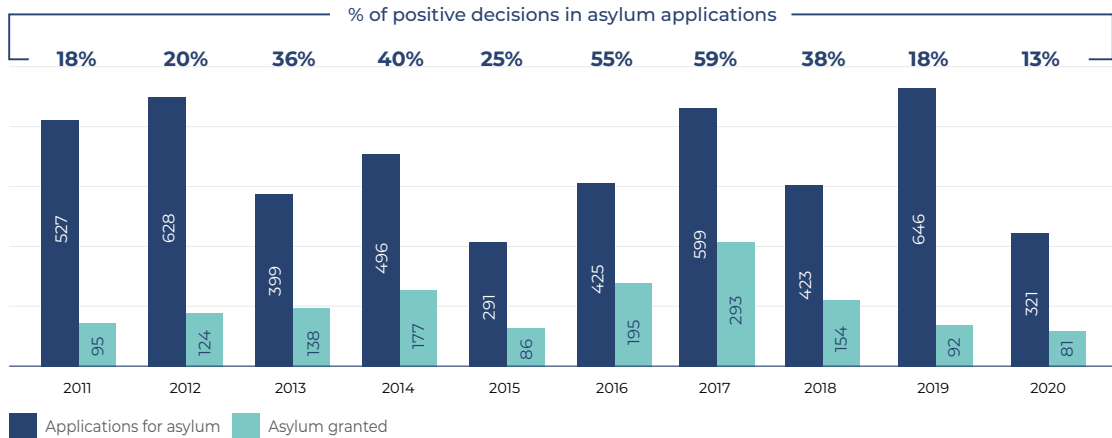

- ▶ In order to improve the existing regulation, the following amendments to the Law of on the Legal Status of Aliens were passed in 2020 and entered into force on 1 March 2021:
 - Highly qualified foreigners and intra-corporate transferees are allowed to begin working immediately after submitting an application;
 - Foreign students and researchers who arrive under EU mobility programmes are allowed to work during their stay in Lithuania;
 - Foreigners who complete their studies in Lithuania will be exempt from both the requirement of work experience and the restriction to take up employment only in the area of their qualification;
 - The working time restriction (20 hours) applies only to foreigners in first cycle programmes;
 - The possibility to take up employment under an employment contract for several employers was provided not only for foreigners holding a temporary residence permit, but also for foreigners who enter Lithuania to take up employment under a national visa.
- ▶ In view of the growing number of enquiries of Belarusian nationals about the possibilities to come to Lithuania for residence and work, the Ministry of the Interior, together with the Migration Information Centre, prepared and distributed information leaflets in Russian and English presenting the most important issues in migration.
- ▶ As of 11 August 2020, Lithuania started issuing permits to nationals of Belarus to enter Lithuania on humanitarian grounds. As of 21 September 2020, nationals of Belarus have been able to obtain a 6-month multiple-entry national visa under facilitated conditions.
- ▶ The Government of the Republic of Lithuania approved amendments to the Description of the Procedure for Providing State Support for the Integration of the Persons who have been Granted Asylum. In implementing the amendments, an individual integration plan is drawn up for each person who has been granted asylum, and the duration of the provision of integration assistance and the allowance rate depend on the individual progress and involvement in integration measures.

ASYLUM

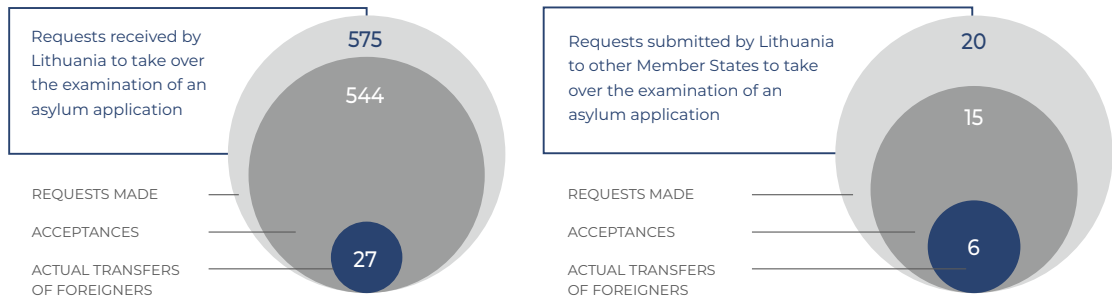

Asylum decisions by citizenship in 2020

Asylum: 10-year overview

Transfers under the Dublin Regulation in 2020

Main areas of work and achievements:

- ▶ Restrictions on the movement of persons due to the spread of the COVID-19 pandemic have led to a decrease in the inflow of asylum applicants in 2020. However, due to the protracted political crisis triggered by the Belarusian presidential elections, the number of nationals of Belarus who entered the Republic of Lithuania availing of legal entry opportunities increased.
- ▶ Lithuania continued to implement solidarity measures by relocating foreigners in need of asylum. In 2020, 6 asylum applicants were relocated from Greece and Jordan.
- ▶ Asylum applicants and detained foreigners were granted access to legal and humanitarian assistance provided by lawyers of the Lithuanian Red Cross Society.
- ▶ Provision was made for the right of asylum applicants to take up employment where the Migration Department does not take a decision on granting asylum in the Republic of Lithuania within 6 months from the lodging of an application for asylum. However, these persons are not able to register with the Employment Service because, under the legislation currently in force, foreigners can register with the Employment Service only if they hold a temporary residence permit in the Republic of Lithuania.
- ▶ In 2020, the Ministry of Social Security and Labour signed a cooperation agreement with Mykolas Romeris University. Eligible persons who have been granted asylum in Lithuania will have an opportunity to enrol in the university's study programmes in English or Lithuanian languages free of charge.
- ▶ To create equal and effective reception conditions for asylum applicants, the Migration Department has been designated as an authorised body responsible for the accommodation of asylum applicants in accordance with the procedure laid down by the Government at accommodation facilities or temporary housing.

Illegal employment

2020 m.

4161

This is the number of illegal employment inspections carried out by the State Labour Inspectorate.

It should be noted that as the number of third-country nationals entering Lithuania to take up employment continues to grow, over the past years an increase in the number of illegally employed foreigners has been recorded.

Main areas of work and achievements:

- In 2020, the number of detained third-country nationals who entered Lithuania by irregularly crossing the EU's external border decreased. Most of the persons were detained at the border with Belarus.
- The State Border Guard Service and the Baltic Institute of Advanced Technology (BPTI) signed an agreement on cooperation and data exchange in the development of innovative technologies between border control staff and scientists.
- Foreigners whose period of legal stay in Lithuania expired when Lithuania introduced quarantine (from 16 March 2020 to 16 August 2020) and who were unable to leave Lithuania on time through no fault of their own were granted a tolerance period of 2 months, counting from the end of quarantine. The same tolerance period applied to persons in respect of whom a return decision had been taken but the period of voluntary departure expired during quarantine.

INTERNATIONAL COOPERATION

Main areas of work and achievements:

- ▶ In 2020, Lithuania chaired the Strategic Group of the Prague Process (a regional consultative platform on migration, bringing together 50 countries) and participated in the events of the process.
- ▶ The implementing Protocol between the Government of the Republic of Lithuania and the Cabinet of Ministers of Ukraine to the Agreement between the European Community and Ukraine on the readmission of persons entered into force on 1 January 2020.
- ▶ On 17 March 2020, the Agreement on Employment and Cooperation in the Field of Labour Migration between the Government of the Republic of Lithuania and the Cabinet of Ministers of Ukraine came into effect. The agreement aims to ensure the protection of workers' rights and interests and combat illegal employment.
- ▶ In 2020, the nature of bilateral cooperation of the State Border Committee of the Republic of Belarus with the State Border Guard Service changed: the fruitful cooperation that took place in previous years has become only formal.

INSTITUTIONAL FRAMEWORK

Main areas of work and achievements:

- ▶ In 2020, the development of MIGRIS continued in order to improve the quality of migration services output and of customer service. It should be noted that following the launch of MIGRIS and the prevention of fake visit appointments, the waiting time for a visit for foreigners was reduced from 3 months to 1-2 working days.
- ▶ The implementation of the "International House Vilnius" project, which has the aim of increasing Lithuania's competitiveness by attracting talents from abroad, was continued.
- ▶ On 2 September 2020, the Migration Department's customer service quality assessment indicators and their evaluation system were approved, and on 30 October 2020, the Migration Department's customer service standard was approved. These changes have enabled to harmonise the working practices of all migration units, ensure the uniform provision of information and standardise the application and decision-making procedures.
