**Rehabilitation of radicalised and terrorist offenders for firstline practitioners**

June, 2020  
Manual  
Online

**Description**  
This manual offers guidance for practitioners on the rehabilitation of radicalised and terrorist offenders inside and outside of prison. The manual provides an overview of the chronological phases of rehabilitation and an assessment of what needs to be taken into account by various actors when contributing to rehabilitation processes.

**Responses to returnees: Foreign terrorist fighters and their families**  
July, 2017  
Manual

Online

**Description**

This manual provides insights and recommendations, from practitioners, for both practitioners and policy makers, on how to manage foreign terrorist fighters (FTFs) and their families, returning or planning to return to their home countries within the European Union, from terrorist conflict zones such as Syria and Iraq.

**The role of family and social networks in the rehabilitation of (violent) extremist and terrorist offenders**

6–7 March, 2018  
RAN P&P Ex Post Paper  
Utrecht, Holland

**High-Level Conference on child returnees and released prisoners**  
11 October, 2018  
High Level Conference

Luxembourg

**Description**

The Conference brought together ministers, representatives from the European Commission, senior Member State officials and first-line practitioners to discuss the current practices and the key challenges in EU Member States in dealing with child returnees from Iraq and Syria.

**Children growing up in extremist families**  
24–25 April, 2019  
RAN YF&C Ex Post Paper

Rome, Italy

**Description**

This paper provides insights for practitioners on how to identify an extremist setting in a family; the role of education in rehabilitating children into society; different types of intervention, such as counselling and trauma therapy; and examples of multi-agency approaches.

**Returned Women and Children – Studying an Ongoing Experience on the Ground**

10–11 December, 2019  
Study Visit  
Kosovo

**Description**

The Study Visit explored the measures taken to reintegrate women and children into Kosovan society. Practitioners learned about the ongoing Kosovan experience from government authorities, other first-line practitioners and civil society organisations (CSOs) in Kosovo.
