EU INTERNET FORUM TERRORIST AND VIOLENT EXTREMIST FINANCING ACTIVITIES ONLINE II

TUESDAY, 10 SEPTEMBER 2024, 14.30 – 18:00 CET

CONFERENCE CENTER ALBERT BORSCHETTE, BRUSSELS

MEETING ROOM 0.C

HYBRID MEETING

This meeting builds on the previous EUIF technical meeting on terrorist and violent extremist financing activities online (October 2022). It brings together financial institutions and payment providers with EUIF members to jointly address the eco-system challenge of terrorist and violent extremist (TVE) financing activities online. This meeting aims to exchange and identify 'best practices' for robust terms of service/acceptable use policy to address the misuse for TVE purposes. It further aims to build trust between stakeholders and explore avenues to develop a multi-stakeholder response to the eco-system challenge of violent extremist and terrorist financing activities online in interactive discussions. Please refer to the concept note for preparation.
