

Global Alliance Against Child Sexual Abuse Online – 2014 Reporting Form

KOSOVO

Policy Target No. 1

Enhancing efforts to identify victims and ensuring that they receive the necessary assistance, support and protection.

Operational Goal: Increase the number of identified victims in the International Child Sexual Exploitation images database (ICSE database) managed by INTERPOL by at least 10% yearly.

A) Please report on implementation of any measures announced in your country's 2013 report

During the reporting period the number of reported cases of child sexual abuse online has increased. In 2013, 4 cases of children misuse in pornography have been reported including the cases of exposure to pornographic material.

B) Please assess progress made in your country to pursue this shared policy target and to reach this operational goal of the Global Alliance

C) Please indicate specific actions that your country will undertake as a follow-up

Kosovo Police has made significant progress in fighting this phenomenon by establishing specialized structures within Kosovo Police.

The Unit for Protection of Children subject to misuse within the Directorate for Serious Crimes has drafted standard operating procedures for protection of the victims and investigation of these cases.

Policy Target No. 2

Enhancing efforts to investigate cases of child sexual abuse online and to identify and prosecute offenders.

Operational Goal: Establish the necessary framework for the criminalization of child sexual abuse online and the effective prosecution of offenders, with the objective of enhancing efforts to investigate and prosecute offenders.

A) *Please report on implementation of any measures announced in your country's 2013 report*

- A special registry for child abuse offenders is not yet developed.

B) *Please assess progress made in your country to pursue this shared policy target and to reach this operational goal of the Global Alliance*

- Cybercrime investigators have access to ICACCOPS data-base. This data-base makes possible to investigate and trace online offenders.

C) *Please indicate specific actions that your country will undertake as a follow-up*

- January 2014, two cybercrime investigators (police officers) have participated in a training organized by ICITAP in ILEA (International Law Enforcement Academy) Budapest. This training has to do with "Child pornography on the Internet" and lasted for one week.

Operational Goal: Improve the joint efforts of law enforcement authorities across Global Alliance countries to investigate and prosecute child sexual abuse online.

A) *Please report on implementation of any measures announced in your country's 2013 report*

- We are trying to identify and initiate purchase procedure for specialized IT equipments and software's.

B) Please assess progress made in your country to pursue this shared policy target and to reach this operational goal of the Global Alliance

- We are working on this action, trying to find the solution how this private IP will function in practice having in consideration all circumstances.

Policy Target No. 3

Enhancing efforts to increase public awareness of the risks posed by children's activities online, including grooming and self-production of images that results in the production of new child pornography that may be distributed online.

Operational Goal: Develop, improve, or support appropriate public awareness campaigns or other measures which educate parents, children, and others responsible for children regarding the risks that children's online conduct poses and the steps they can take to minimize those risks.

A) Please report on implementation of any measures announced in your country's 2013 report

Kosovo Police Directory of Community Policing and Prevention together with the Ministry of Education, Science and Technology in cooperation and support from the OSCE Mission in Kosovo is implementing a project aiming to increase the awareness among the pupils in the pre-university institutions on various fields such as: Juvenile Delinquency, Child exploitation/missuses, Drugs and other negative phenomenon's, Traffic safety, Cyber-crime and misuse of the online social networks and Human trafficking,

Based on the project objectives and activities, this project is going to be accredited and certified by MEST and will be launched in pre-university institutions in the beginning of September initially in Fushë Kosova municipality as a pilot project.

B) Please assess progress made in your country to pursue this shared policy target and to reach this operational goal of the Global Alliance

KP, MEST and the OSCE Mission in Kosovo have been implemented three out of four training sessions in training representatives from different institutions mainly people from MEST, Schools, KP to prepare them not only to lecture before the pupils but also to cascade the training to other people in the future.

This project/programme is highly assessed by the KP, MEST and the OSCE Mission in Kosovo because through the awareness of the pupils and the school personnel about various negative behaviours and phenomenon's the operational goal of the Global Alliance will be fulfilled

C) *Please indicate specific actions that your country will undertake as a follow-up*

1. Completion of the four sessions of the training for trainers;
2. Launching the pilot project/programme in the Fushë Kosova municipality;
3. Assessing the pilot project/programme after the completion;
4. Improving and amending the project/programme based on lesson learned;
5. Accrediting and certifying the programme from the Ministry of Education, Science and Technology as a learning subject in the future for pupils of the pre-university education;

Operational Goal: Share best practices among Global Alliance countries for effective strategies to inform the public about the risks posed by online, self-exploitative conduct in order to reduce the production of new child pornography.
