# Draft Rules of Procedure

## Article 2

### Mandate and objectives

1. The Network aims to unite key stakeholders in the prevention of and fight against corruption in the EU. Its general objective is to enhance cooperation, promote transparency, and foster the exchange of knowledge and good practices in the area of anti-corruption and integrity.
2. Specifically, the Network aims to facilitate collaboration among stakeholders by offering a platform for dialogue on common challenges and solutions; develop and disseminate good practices, guidelines, and policies related to anti-corruption efforts and address specific anti-corruption topics based on the evolving needs of the EU and its Member States, supporting the continuous development of anti-corruption policies.

# Draft Rules of Procedure
