

Annex 3 to the application form

UNION ACTION to SUPPORT RECEPTION, ASYLYM and RETURN SYSTEMS under PRESSURE

(Checklist to be filled in by the applicant confirming that the relevant information was provided in the application form and to accompany the application¹)

General principles	Reference to the application form	Confirm by ticking the box
1. The requested additional funding has been duly justified in the light of high pressure on migration system / external borders, in particular due to geographical location, and supported by relevant data and evidence.	Part B cover page, justification	<input type="checkbox"/>
2. The requested additional funding will cater for medium-term needs and/or investments that are foreseeable in the light of high and continuous pressure and that cannot be supported under Member State's programmes under the Home Affairs Funds.	Point B.1.2	<input type="checkbox"/>
3. The applicant has demonstrated that the national funds and/or funds under Member State's programmes or other sources of funding to carry out the proposed actions are not sufficient or that the proposed actions deliver additional EU added value to the actions funded under the Member state's programmes.	Point B.1.2 + B.1.3	<input type="checkbox"/>
4. The requested additional funding intends to finance actions retroactively in accordance with the Financial Regulation ² and AMIF Regulation ³ .	Point A.3	<input type="checkbox"/>
5. If relevant, the applicant has demonstrated the complementarities between the different funding tools (i.e. Structural funds, Recovery and Resilience Plan, Humanitarian assistance, Member States programmes etc.) to avoid potential overlaps.	Point B.1.3 + declaration	<input type="checkbox"/>
6. Where the applicant is a Member State's authority , the application has been coordinated and consulted with the Managing Authority (MA) before its submission.	Point B.1.2 + declaration of the applicant organisation	<input type="checkbox"/>

¹ By filling in the checklist, the applicant takes account of the general principles and provides the required information in the application form, as relevant.

² According to the Financial Regulation, the grants shall not be awarded retroactively for actions already completed.

³ For the applications submitted under this standing call, retroactivity may apply as of 1 January 2021 in accordance with the transitional retroactivity rule laid down in AMIF Regulation and in line with Commission Implementing Decision C(2021)8458 final. The costs can be eligible as of 1 January 2021 in respect of actions that had already begun and have not been completed at the time when the application is submitted.

<p>7. Where the applicant is an International Organisation, the application has been coordinated and consulted with the competent national authorities and other relevant actors before its submission.</p>	<p>Point B.1.2 + declaration of the applicant organisation</p>	<p><input type="checkbox"/></p>
<p>8. The applicant has demonstrated that requested additional funding will be implemented in full respect of the relevant Union acquis and the Charter of Fundamental Rights of the European Union.</p>	<p>Point B.2.5.1</p>	<p><input type="checkbox"/></p>
