Slovenia

Institutional Framework for migration and asylum*

Ministry of Interior
Represents the competent national authority for perusal and harmonization of Asylum and migration policies.

General Police Directorate
Plans, organizes and controls police work on strategic level.

Unformed Police Directorate
Coordinates, plans and supervises the implementation of Police work, carried out by uniformed police units. It also participates in drafting legislative proposals, which concern police work.

Border Police Division
Manages work of border control units, cooperates with international organizations and other national authorities, responsible for border control. It also provides the implementation of international agreements that apply to border control (e.g. Schengen).

Courts
Any decision issued by an administrative authority can be appealed by lodging a complaint within an independent administrative court. There can also be an appeal within The Supreme Court, which is the highest authority among state judicial authorities, adjudicating at third instance on regular legal remedies against the decisions of courts of second instance.

EMN National contact point is situated in migration policy and legislation division.

EMN European Migration Network
